

Visa Online Transaction Authentication Service

PrimeCredit Credit Card has launched the Visa Online Transaction Authentication Service. When you make online purchase transactions with PrimeCredit EarnMORE Visa credit card and/or WeWa Visa credit card at a participating 3D Secure online merchant, a verification code will be sent to your valid mobile number which was registered with PrimeCredit via SMS to verify the identity of cardholder to provide an extra security protection for online purchase transactions.

Features:

- Free of charge
- No registration required
- Apply to all participating 3D Secure online merchants 
- Better protection and safety online purchase

*To enjoy above Online Transaction Authentication service, please register or update your latest mobile number via 24-hour PrimeCredit Credit Card Customer Service Hotline: Visa Classic Card 2269 8899 / Visa Platinum Card 2269 8888 / Visa Signature Card 2269 8868.

Key points to note:

1. When you make online purchase transaction with PrimeCredit Visa credit card at a participating 3D Secure online merchant, you will receive a 6-digit verification code via SMS to your mobile number registered with PrimeCredit, you are required to input the verification code to verify and complete the transaction. Verification code is not required for online merchants that do not support 3D Secure.
2. No registration and any charge for Visa Online Transaction Authentication Service, cardholder must provide a valid mobile number to PrimeCredit for verification code SMS.
3. The verification code is free of charge if you receive it via SMS in Hong Kong. If you are overseas or using mobile service provided by overseas mobile service providers, the service provider may not support receipt of international SMS and may levy charges. Cardholder is responsible for the relative charges if any, please refer to your mobile service provider for details.
4. The Online Transaction Authentication service does not support mobile number with SMS forwarding service, verification code SMS will not be forwarded to any other mobile number. Please note cardholder cannot be received verification code SMS under this situation.
